

Rivenhall Dental Practice Information

Welcome to the Publication Scheme for Rivenhall Dental Practice.

The Publication Scheme is required by the Freedom of Information Act 2000.

This Publication Scheme is a complete guide to the information routinely made available to the public by Rivenhall Dental Practice. It is a description of the information about our Dental Practice which we make publicly available. Some information is not made publicly available. It will be reviewed at regular intervals and we will monitor its effectiveness.

How much does it cost?

The publications are all free unless otherwise indicated. Where information is provided at a cost the charges will be calculated as set out in Class 7.

How is the information made available?

The information within each Class is either displayed on the practice website (www.rivenhalldentalpractice.co.uk) or available in hard copy from Rivenhall Dental Practice, High Pit Road, Cramlington, NE23 6RA
